Southern Summer School
For Women Workers in Industry

JULY 22 TO SEPTEMBER 2, 1927
SWEET BRIAR, VA.
What
A committee of Southern people who are interested in promoting educational work among industrial workers have undertaken to sponsor a Summer School for Women Workers in Industry during the summer of 1927.

The purpose of this School is to give women in industry an opportunity through study and discussion to develop a deeper appreciation of life; and a clearer understanding of their part and responsibility as industrial workers.

Who
Twenty-four students will be recruited from industrial communities—at least 75 per cent from Southern States.

Where
Sweet Briar College, Sweet Briar, Va., has offered the use of the campus, one of its dormitories and part of the library. The College assumes no responsibility in regard to the policies or administration of the school, but merely permits the Summer School to use its equipment.

When
The first session will be July 22 to September 2.

Courses
Courses of instruction are being planned in Economics, English and Physical Education.

ECONOMICS
Dr. Broadus Mitchell,
Johns Hopkins University,
Baltimore, Md.

ENGLISH
Lois MacDonald, M. A.,
Columbia University.

PHYSICAL EDUCATION
(Unannounced)

Sweet Briar is on main line of Southern Railway. It has a beautiful campus with large lake, and there are many hiking facilities. It is hoped that some time in out-of-door activities will be a part of each student's program.
