MEETING

"DISEASES CONTRACTED FROM MILK"

SPEAKER

DR. ELIZABETH GAMBRELL
PROFESSOR OF BACTERIOLOGY
EMORY UNIVERSITY

TO BE HELD IN THE AIR-CONDITIONED

PINE-ROOM-ANSLEY HOTEL

JUNE 14TH, 8-8 P.M

Moving Picture Showing "IDEAL MILK PRODUCTION"

What do you think of "Raw Milk"? Dr. Jordan, eminent bacteriologist, says, "I would rather have a rattlesnake in my kitchen than a quart of raw milk." Strong words, surely, but those in the "know" feel strongly on the matter.
