OH, GIVE US A SLATE
(Tune: "Home On the Range")

Oh, give us a slate,
Wi-th candidates great,
And a two party system of note,
An election that’s fair,
With a tally that’s square,
A-and no county unit vote!
Tho’-may-pass many a year,
The League will still persevere,
We’d just like to say,
That in some future day,
We will have a de-mo-cracy here!

WORKING ON THE PROGRAM
(Tune: "Working on the Railroad")

We’ve been working on the pro-gram,
All the year, you know,
We’ve been working on the pro-gram,
Here’s what we have to show:
Country government and school bonds,
The Geor-gia legislature, too;
We’ve been working on the pro-gram,
Oh, there’s much to do!

3-2-1 FORMULA
(Tune: "Old Black Joe")

The leg-is-la-ture needs a treat-ment,
The time has come for re-appor-tion-ment,
Here is a fact that all good Leaguers know:
The three, two, one formula has got to go!
Three, two, one——
Three, two, one——
That age-old so and so,
We hear insistent voices calling,
It should go!

REUBEN AND RACHEL
(Tune: "Reuben and Rachel")

Reuben, Reuben, I’ve been thinking,
What a great state this would be,
With a good two-party system,
We would have de-mo-cracy.

Rachel, Rachel, I’ve been wishing,
Tho’ I am a loyal man,
That just once before I leave here,
I could vote RE-PUB-LI-CAN!

VOTE, VOTE (Round)
(Tune: "Row, Row, Row Your Boat")

Vote, vote, go out to vote,
Ev’ry time you can,
Happily trot down to the polls,
And vote for the best man.

THE BIG DOME
(Tune: "On Top of Old Smoky")

Under-ne-ath the Big Dome,
All covered with gold,
The sta-tues are coming,
Of great men of old.

Instead of those sta-tues,
And loyalty rules,
We just wish they’d get wise,
And save public schools!

JOIN THE LEAGUE
(Tune: "Jingle Bells")

You may think the world is wide,
But it’s not so wide at all,
When you get to the other side,
You see it’s rather small.
And that’s why we should know,
What goes on "over there,"
Our understanding has to grow,
And we must be a-ware.

Chorus:
Join the League, join the League,
Join the League and learn,
We study foreign policy,
Yes, it’s a main concern! (repeat)

LEaguERS, LEaguERS
(Tune: "Bicycle Built For Two")

Leaguers, Leaguers,
Give us your answer, do,
What do you want for your C—A’s,
And also your C—R’s, too?
The ta-sk will not be easy,
But don’t you gals be queasy,
It’s fun to work,
So do not shirk,
On the program that’s planned by you!
